SUMMARY NARRATIVE

FORT WORTH FIRE DEPARTMENT - ARSON AND BOMB INVESTIGATIONS
INITIAL ORIGIN AND CAUSE REPORT
4505 Valentine St. Fort Worth Tx. 76107

FWFD INCIDENT#: 21-1410122
FWPD Case#: 210038605
ME Case # 2110137

On Friday, May 21st, 2021, at approximately 10:01 hours, the Fort Worth Fire Department responded to a residential structure fire at 4505 Valentine St. Fort Worth, Texas 76107. The Fort Worth Fire Department Incident Commander and fire companies arrived on the scene and found heavy fire and smoke coming from the windows

located at the A/B corner of the house. The Engine and Truck companies completed a search and fire suppression activities; during the search of the residence, fire companies located a victim in the room of origin. Per FWFD policy, the IC requested an Arson investigator to the scene. I, Investigator E.R. Thompson, Arson 28, #5970, the on-duty investigator, responded to this incident to conduct an origin and cause investigation. I was assisted by Investigator J. Horton Arson 03, #5451.

There was one fire fatality victim at this fire.

After concluding my on-scene investigation, I determined the area of origin as the bedroom located at the A/B corner of the residence located at 4505 Valentine. The fire at the above address is classified as "Incendiary," meeting the elements of Arson of a Habitation PC. 28.02.

This report is based on facts available at the time this report was written. Information made available after completion of this report may change the conclusions of the origin and cause report.

Additional Fort Worth Arson Investigators that participated in this investigation will be detailed in the origin and cause report to follow.

End of Report

E.R. Thompson #5970

FWPD Homicide and crime scene were notified and responded to the scene.
